

BLOWTORCH

April 20th, 2007 Issue

At our regularly scheduled Union meeting on April 24th at 5:00 P.M. we will be discussing our upcoming contract which expires on April 30th. Depending on the outcome we will also be dividing up the raises according to which committee requires a portion of the raise.

The Wicks Law was not part of the Governor's Budget plan, so for now we have a victory. However the Wicks Law is always under scrutiny and so this is just a temporary win.

Work remains status quo, but keep in touch with the Hall for the various opportunities that exist. The PLA on the MCC Nursing School was approved at the Monroe County Legislature meeting on April 10th. A lot of work went into the agreement and we hope that this is a start of more PLAs for construction work.

A reminder to make sure to contact the Union Hall if you change job locations for any length of time. Be sure that you call the Union Hall when you go to work and to keep in touch with Bill Kurtz on the latest opportunities.

I cannot stress enough the importance of signing the unemployment book at the hall when you are out of work. This helps us know when you are unemployed and when you become eligible for the Security Benefit Funds. Again, please remember to sign the unemployment book.

Our deepest sympathy to JT Weidman & his family on the loss of his mother-in law. Our deepest sympathy to the family of Richard Pearse. Richard was a local 13 member for 43 years.

We had a great turnout for our annual pasta lunch. Thanks to all who brought a dish to pass and to **Carl Colotti** for making the sauce, everyone enjoyed it. I also want to thank **Charlie Yatteau, Zeek, Dave Farrell, Dick Preston and Bruce Jacobs** for their help; we couldn't pull it off without them. **Zeek** won the \$25 gift certificate and **Bob Bowes** won the free dues. Our next meeting is on May 8th and we'll be cooking out. We hope to see you there. If you would like to bring a dish to pass feel free to do so. We have a stove hooked up for your convenience in case you bring something that needs cooking or warming up. You can e-mail me at jerryattricks@frontiernet.net with comments or suggestions for future meetings.
