

## BLOWTORCH

February 8th, 2008 Issue

The Ginna Shutdown will be in April. There will also be some pre-shutdown work available. Anyone interested in these opportunities, please contact the Hall to get the proper paperwork.

There have been several jobs awarded to our contractors over the last few weeks. We are waiting for this work to get underway for the job opportunities to pick up.

We need to make sure that we are completing the apprentice reports. Anyone that has an apprentice or pre-apprentice on your job, it is your responsibility to send in reports on their progress & abilities. The pre-apprentice report is due on weekly basis. Anyone that needs these forms or who has questions should contact the Hall.

We are anticipating some demand for 1104 welding certification to work on Pipe Line work. Anyone interested, let the hall know so that we can set up a Saturday class.

There are many job opportunities for travel, please call Bill Kurtz if you are interested. Our sister Local 73, Oswego, continues to help us out with job opportunities while our area seems to be slow. The UA is in need of welders throughout the country. The shortage of qualified welders is taking its toll since many locals will not hire a fitter unless they are accompanied by a welder. The need for welders is a reality and will continue for years to come.

Local #13's new website is up and running [www.ualocal13.org](http://www.ualocal13.org)! There is quite a bit of information to be found on the site including agendas, activities and general updates. I encourage you all to check out the site now and throughout the year.

A reminder to make sure to contact the Union Hall if you change job locations for any length of time. Be sure that you call the Union Hall when you go to work and to keep in touch with Bill Kurtz on the latest opportunities. I cannot stress enough the importance of signing the unemployment book at the hall when you are out of work. This helps us know when you are unemployed and when you become eligible for the Security Benefit Funds. Again, please remember to sign the unemployment book.

Regina Kehoe is still in Strong Memorial Hospital having treatment and preparation for her bone marrow transplant. All of us at Local #13 send our best wishes to her for a speedy recovery back to good health. Our deepest sympathy to Gordie DeCillis and his family on the loss of his mom.
