

BLOWTORCH
April 18th, 2008 Issue

Red Wings baseball tickets are available for anyone interested in going to a game this season. There is a signup sheet at the Hall to reserve the seats.

The work outlook is going to steadily improve with quite a few projects that are starting to get underway. One of these projects includes the RIT boiler/chiller project.

We now have a new Wicks Law for New York State. It has been a tireless effort to see this through. Once again, the NYS Pipe Trades has set the standard and demonstrated real needed leadership in NY and the labor movement.

We need to make sure that we are completing the apprentice reports. Anyone that has an apprentice or pre-apprentice on your job, it is your responsibility to send in reports on their progress & abilities. The pre-apprentice report is due on a weekly basis. Anyone that needs these forms or who has questions should contact the Hall.

Local #13's new website is up and running www.ualocal13.org! There is quite a bit of information to be found on the site including agendas, activities and general updates. I encourage you all to check out the site now and throughout the year.

A reminder to make sure to contact the Union Hall if you change job locations for any length of time. Be sure that you call the Union Hall when you go to work and to keep in touch with Bill Kurtz on the latest opportunities. I cannot stress enough the importance of signing the unemployment book at the Hall when you are out of work. This helps us know when you are unemployed and when you become eligible for the Security Benefit Funds. Again, please remember to sign the unemployment book.

Our deepest sympathy is extended to the family of Charlie and Bob Thompson on the loss of their sister. Our condolences go out to Jeffrey Finewood and his family who lost a sister. Also our sincerest sympathy to Bob Cantatore and his family who recently lost an aunt.

William Seeley is home recuperating after recently having surgery. We hope his recovery goes as quick as possible.

Re: Benefit Money for Insurance

Q. Where does the \$6.40 an hour I contribute go?

A. The majority of the money goes to medical coverage, the remainder goes towards dental, short term disability, the EAP program, Life Insurance, Accidental death and dismemberment insurance, and Administrative cost (the cost to run the office).

Q. How is the \$6.40 broken down?

A. See the chart below.

	PER/HOUR	PER/MONTH
Medical	\$5.41	\$827.40
Dental	\$0.39	\$ 55.03
Short Term Disability	\$0.16	\$ 22.06
Employee Assistance Program	\$0.02	\$ 1.83
Life Insurance, Accidental Death & Dismemberment	\$0.09	\$ 11.73
Administration Costs	\$0.33	\$ 46.29
Total	\$6.40	\$964.34

Family Plan 420 hrs. x \$6.40hr = \$2688.00

Single Plan 390 hrs. x \$6.40hr = \$2496.00
(13 weeks = 1 quarter)

You must contact the Benefit Office Immediately once you have become divorced. It is very important to provide a QDRO in order to protect your Pension & Annuity. Also it is considered fraud to keep ex-spouses on our insurance plan after your divorce. If this happens you will be billed for the additional costs.

Local #13's EAP: Employee Assistance Program provider is ESI. You can call **ESI** at **1-800-252-4555** or visit the web site www.theEAP.com. (Employee login) - (User Name: Plumbers and Steamfitters). **It's Free!!!**

This will allow you to turn in all completed paper work before the deadline of one month prior to the date you want to retire. **The Fund Office has a section on the New Web Site. You can download Hour Bank Reimbursement forms, Beneficiary forms, and Retirees can download Direct Deposit forms.**
